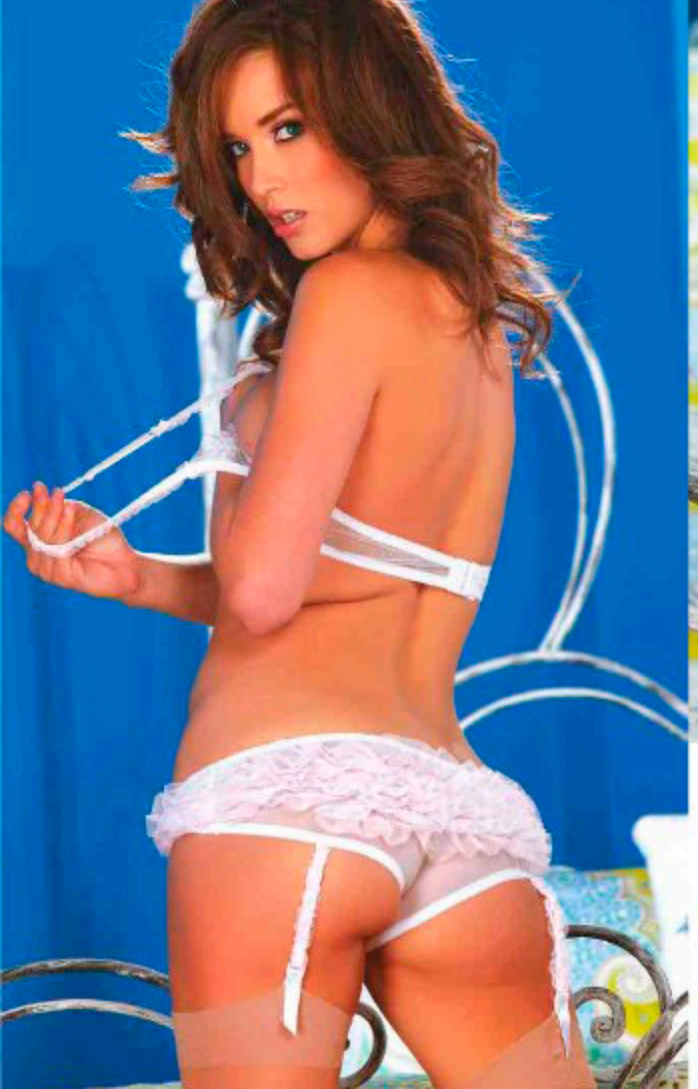
# PELVIC THRUST



What makes **Melena Morgan** a star? It's not the star tattoos on her pelvic bones—it's how this porn star thrusts her pelvis when she's grinding a cock! Having natural beauty is one thing, but knowing how to use it is another ting entirely. And when Melena fucks, she makes your cock feel like a million bucks as her tight, wet pussy glides up and down on your shaft like a well-oiled machine. It ain't just how you're born—it's how you porn!

# HOT YOGA

Women fucking love hot, sweaty yoga. **Diana**, **Franceska**, **India**, and **Jewels** are no different. A yoga workout provides women with both obvious and unexpected benefits for the body, mind, and spirit. It's a great workout that emphasizes every part of the body, from tits to toes. Some of the girls' favorite positions, or asanas, are Downward-Facing Dog-gystyle, the Three-Humped Camel pose, the Melting Pussy and the bend over and fuck me and then spew a chunky white load all over my pretty face. For these girls, it's not what they *get out* of yoga, but rather what goes in.

# LEOLA BELL *caught on tape*
# SECRET SEX TAPE OF A PLAYBOY® CENTERFOLD

By ROB PEREZ

ALL IMAGES COURTESY OF RED LIGHT DISTRICT

ALTHOUGH WE CAN'T ACCEPT OFFICIAL KUDOS FOR DISCOVERING THE GORGEOUS LEOLA BELL, WE CAN TAKE CREDIT FOR BEING THE FIRST SEX MAGAZINE TO SHOWCASE THE "FEBRUARY 2012 PLAYBOY PLAYMATE OF THE MONTH" IN HER FIRST HARDCORE SEX TAPE. RELEASED BY HIGH-END ADULT POWERHOUSE RED LIGHT DISTRICT—THE SAME FOLKS WHO GAVE US *ONE NIGHT IN PARIS*, STARRING PARIS HILTON—*LEOLA BELL CAUGHT ON TAPE* SHOWS OFF THE SEXY CENTERFOLD'S ABUNDANT SEXUAL CHOPS. BRIGHT, CHARMING, SEXY, AND DEFINITELY UP FOR ANYTHING, 10 MINUTES AFTER THE OPENING CREDITS ROLE THIS EBONY GODDESS IS ALREADY TAKING IT IN HER LUSCIOUS WRONG HOLE, COMPLIMENTS OF HER TRUSTY PHOTOGRAPHER—AND THEN IT'S NOTHING BUT BUTT SEX FOR ALMOST A HALF HOUR. NOW THAT'S STAMINA! AND IF THAT ISN'T HARDCORE ENOUGH, MS. BELL ALSO ENGAGES IN AN EXPLICIT LESBIAN ANAL-FEST WITH AN EQUALLY ATTRACTIVE AFRO-AMERICAN NEWBIE. WHEN YOU COMBINE ALL OF THIS WONDERFUL ACTION, INCLUDING RIVETING FOOTAGE OF OUR SWEETHEART TAKING A MASSIVE LOAD OF CUM TO THE CHOPS, IT'S HARD TO ARGUE THAT *LEOLA BELL CAUGHT ON TAPE* IS ANYTHING BUT A HARDCORE MASTERPIECE. ALSO OF NOTE ARE THE RAUNCHY MINI-PHOTO SESSIONS THAT LINK EACH SCENE. LET'S JUST SAY THE END RESULTS WEREN'T MEANT FOR PUBLICATION IN PLAYBOY. IT'S FUCKIN' CLEAR AS A BELL THAT LEOLA LOVES SHOWING OFF THAT MILLION-DOLLAR ASS OF HERS AND IT'S ONLY NATURAL THAT IT IS THE FOCUS OF MANY A CLOSE-UP, AS THE EBONY GODDESS SPREADS, GAPES, AND STUFFS HER SIZEABLE SWEET PEA AGAIN AND AGAIN WITHOUT HESITATION. "YES, FOR THE RECORD, CENTERFOLDS *DO* ENGAGE IN ANAL SEX!"

AS FAR AS CELEBRITY SEX TAPES GO, *LEOLA BELL CAUGHT ON TAPE* IS CERTAINLY ONE OF THE BEST SHOT, BEST PRODUCED PRODUCTS WE'VE EVER SEEN. THE AMATEUR-STYLE IS MORE THAN COMPLIMENTARY AND THE VIBRANCY OF THE IMAGERY IS FIRST-RATE. LARGELY ALL THE FOOTAGE IS UNSCRIPTED, THE GIRLS TALK DIRECTLY TO THE CAMERA AND THE SEX IS CAPTURED IN POV GRANDEUR, AS IF LEOLA AND YOU HAVE DECIDED TO RECORD A MARATHON SEX SESSION FOR THE AGES. THE REAL BEAUTY OF *LBCOT* IS ITS PALPABLE ENERGY. LEOLA APPEARS GENUINELY INTO EACH SCENE AND CLEARLY LOVES EVERY MINUTE OF THE FUCKING. THIS GIRL IS SIMPLY A NATURAL IN FRONT OF THE CAMERA AND IT'S ABUNDANTLY CLEAR THAT SHE'S NOT THE LEAST BIT INHIBITED: SHE LOVES SHOWING OFF THAT BODY. AS FOR US, WE CHUBBED UP THE MOMENT WE SAW LEOLA COMPLETELY NAKED IN THE FIRST FEW FRAMES, AND, TO BE HONEST, WE NEVER REALLY QUITE RECOVERED. THIS SULTRY CENTERFOLD WILL HAVE A SIMILAR EFFECT ON YOU. TAKE OUR WORD FOR IT—*LEOLA BELL CAUGHT ON TAPE* IS ONE INVESTMENT YOU *CAN'T* AFFORD NOT TO MAKE!.

## *Scene 1*

The DVD begins with a buttshot of Leola, posing for pictures (more than likely taking pretty girl shots for the DVD boxcover). She's having a flirtatious conversation with the photographer, who is begging to fuck her. Soon afterward, the unknown photographer has pulled his cock out and it's in the hands of the February Centerspread.

Leola sucks off his medium-sized but thick cock, demonstrating the vacuum-like power of her blowjob abilities. The photographer puts his camera down just long enough to concentrate on the blowjob, his legs quivering as his star nicely sucks his rock-hard meat. Our trusty photographer tries to keep from blasting a load in her mouth and succeeds, turning her around instead to fuck her ass doggy-style. Way to go dude, you manage to convince a Centerfold to blow you and then enter her ass in under 10 minutes. Leola has one fine cocoa-skinned ass and a tight butthole to boot. During the early anal phase, Leola is heard happily moaning. The camerawork is excellent as we get terrific shots of his cock entering her asshole, and great views of her entire backside. She continues to moan, but eventually relaxes her sphincter to allow him to go even faster and deeper. The lucky lensman knows how to move his cock around that ass. The chemistry here is genuine as Leola continues to allow him an all-access ride in her behind and her asshole just seems to get tighter with every pump. Leola's moans of pleasure are legitimate to the point she's willing to spread her ass-cheeks to allow him to take

photos of her gape.  In the missionary position it's more of the same only this time we get awesome views of Ms. Bell's body, one of the best we've seen in a long time. Back in doggy, the duo have the easiest and best time fucking. We're treated to another gape shot, this time in close-up, and we see everything. Leola then licks his balls before her face is covered in hot white jizz.

## *Scene 2*

Immediately following her riveting anal scene Leola jumps in bed with a foxy-looking Nubian chick. She's darker, with longer hair, not quite as toned as Leola, but definitely has video vixen cred written all over herself. She's also a freak who gets a rise out of sticking her long velvety tongue up Leola's ass. Our friend the faceless photographer is back and gets his dick sucked again while Leola's holes are being serviced by her lady friend. Leola is the center of attention again and she clearly enjoys being satisfied orally by stuffing her mouth with white cock. Then it's Leola's friend who gets her pussy fucked hard in doggy. Our star lies down and enjoys the tongue bath on her clit that her friend is performing. The lensman masterfully places the videocamera strategically in place in order to get the shot without skipping a beat, capturing Leona's friend's pussy drenched in her cum. A few more self-adjustments of the camera and he manages to zoom in

## "YES, FOR THE RECORD, CENTERFOLDS *DO* ENGAGE IN ANAL SEX!"

and get a hot shot of the friend tonguing Leola's pink meat. Leola turns around and sticks her ass in her friend's face for an extensive salad toss. Leola is in nirvana as she screams in orgasmic delight. The stud enters Leola's wet pussy again in doggy. After pumping her pussy relentlessly he removes his cock in order for Leola's friend to suck off Leola's pussy juice. The raging paparazzo pumps Leola faster, her orgasmic screams becoming louder, before dropping a sizeable load on Leola's adorable ass crack.

## Scene 3

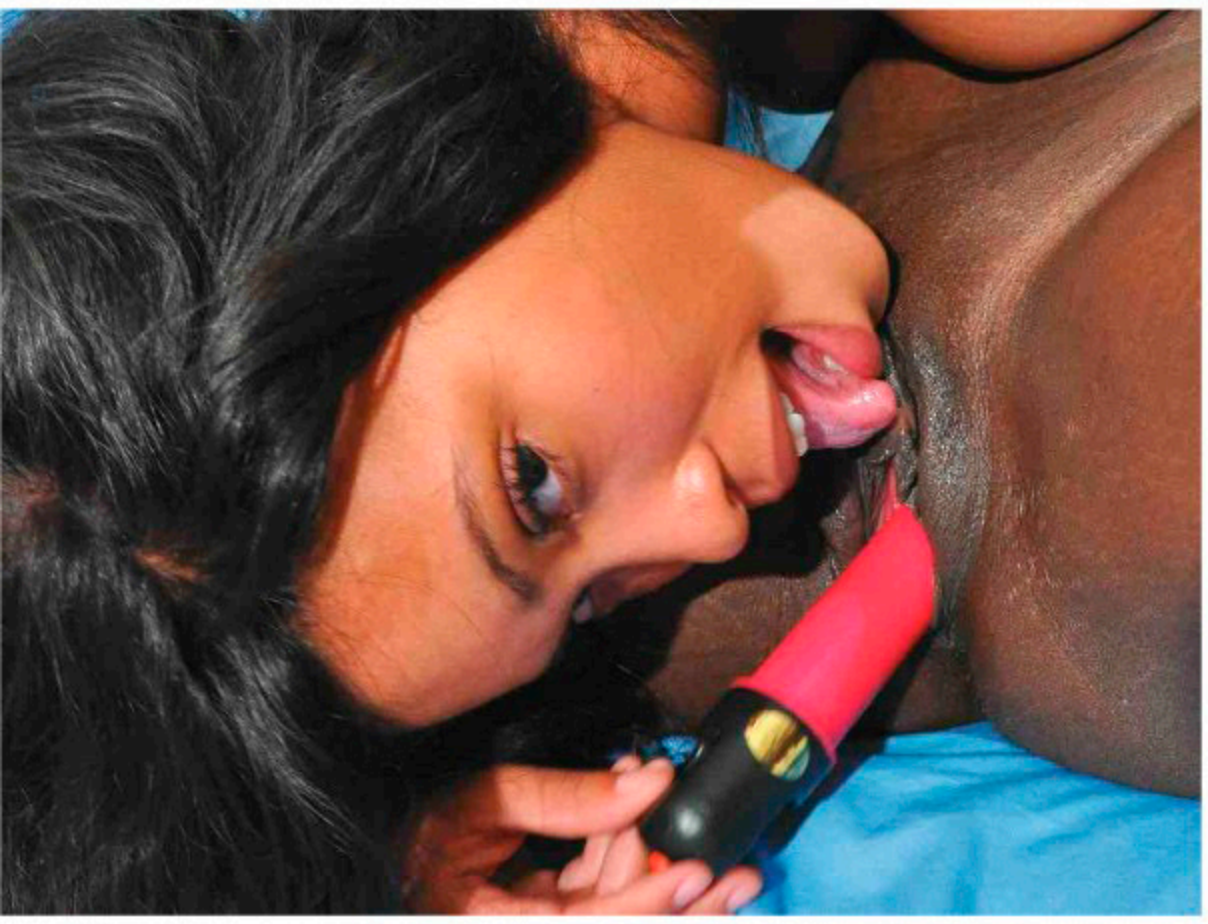
During Scene 3 Leola does what she does best: show off that magnificent ass. Seems that's all her partner is interested in and really who can blame him. Her big tits flopping as she turns around and faces the camera, Leola looks all the more enticing.

**LEOLA'S MOANS OF PLEASURE ARE LEGITIMATE TO THE POINT SHE'S WILLING TO SPREAD HER ASS-CHEEKS TO ALLOW HIM TO TAKE PHOTOS OF HER GAPE.**

The rock-hard shutterbug lets Leola suck him off. The camera is right on her face, showing how that tongue is used to lick his shaft while her mouth sucks the cock. She tries to deepthroat him but only partially succeeds. The two transition into 69 and the camera zooms onto Leola's face as she continues to suck off his chrome, her lovely eyes looking directly into the camera. He squeezes his cock into her pussy and pumps her off in mish.

## Scene 4

Leola's dark-skinned friend returns and the two open the scene caressing each other before reaching for their respective pussies. They engage in a little small talk with the photographer before the



friend starts sucking on Leola's big titties. That doesn't last long as the friend goes back to her favorite spot on Leola—using her long tongue to lick Leola's butthole. The photographer even bets the friend how deep she can get her tongue in Leola's ass. She fucks Leola's ass with her tongue and is clearly enjoying the act. She doesn't let up, licking Leola's ass until Leola orgasms. The photographer lends a hand by further spreading Leola's cheeks and pulling her thong down so her friend has easier access to Leola's wrong hole. The two get into the 69 position and both enjoy their eat-out session. Toys are introduced now in addition to tongues, they each now work the vibrator until both of them get off.

## Scene 5

The lensman makes sure to give Leola everything he's got and pumps her pussy good and hard as Leola is positioned on her knees, her ass facing the sky. It's still another pleasurable assault on her sphincter with a similar outcome: orgasms for the dynamic duo.

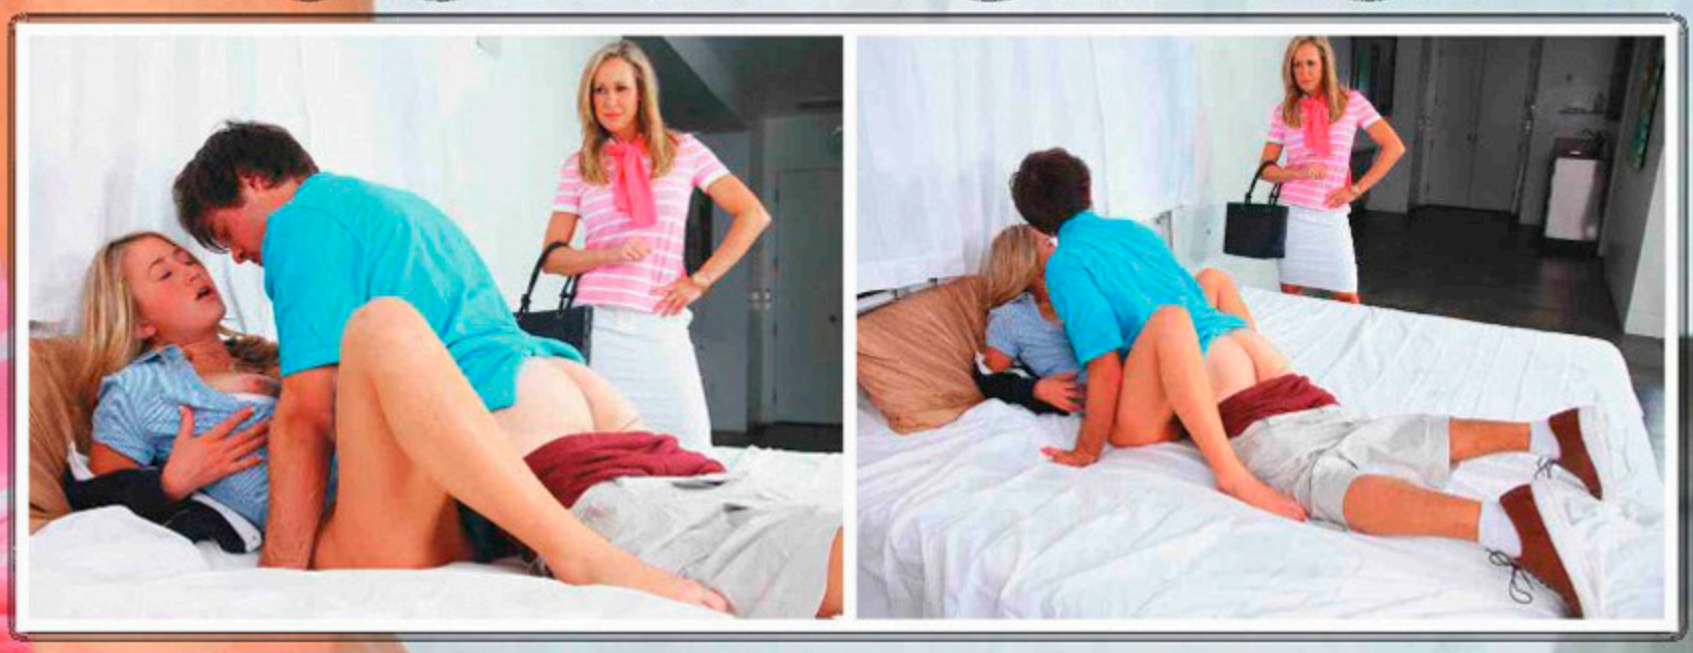
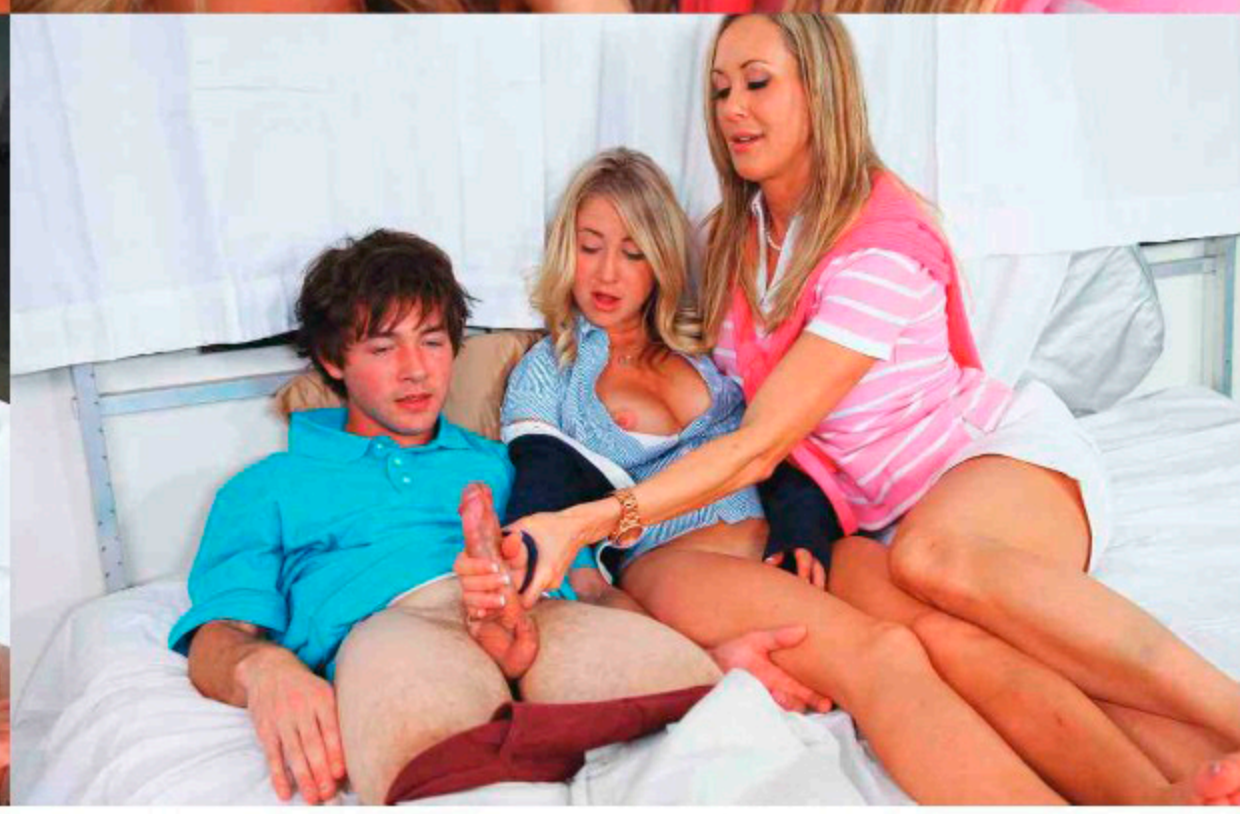
# WOULD YOU ME MINE? COULD YOU BE MINE? WON'T YOU *FUCK* YOUR NEIGHBOR?





When noisy next-door neighbor **Brandi** popped in on the Dickmans, her timing couldn't have been worse. **Jake** was giving his girlfriend the old "in & out." Concerned the two could use some pointers, the blonde cougar took over, schooling the couple in cocksucking, pussy-licking, and fucking. She also took a neighborly ride on Jake's cock, before expertly jerking him off onto **Casi's** pretty, young face. Isn't that what neighbors are for?

# 'S GOT LEGS

**Tiffany's** got legs, and she knows how to use them—by wrapping them around her prey and fucking the life out of him! This gammy gal controls the situation between the sheets without even lifting a finger, but we guarantee your dick will be lifted to full staff after five minutes with this leggy lustpot. Long and lean, her tender inner thighs extend for what seems like miles, all the way up to that delicious vertical smile that'll make you go wild!

ANDY BROWN

BLANCHE

GRAZIELLA DIAMOND

SHALINA DEVINE

**STARRING:** ANDY BROWN, BLANCHE, GRAZIELLA DIAMOND, AND SHALINA DEVINE WITH FRANK GUN, ANTHONY HARDWOOD, GREG CENTAURO, DAVID PERRY, ZENZA RAGGI, BOB TERMINATOR AND NIK LANG **STUDIO:** NEW SENSATIONS/21ST SEXTURY

**Your conservative and old-fashioned girls still believe that one dick for one chick is perfectly adequate. They probably think anything but missionary is for sickos, too. Modern girls don't live with their mothers' misgivings about sexual limitations. They want to experience it *all*, not just wait for their wedding night and get dicked by the same guy for the next 50 boring years.**

**The girls you're about to witness are the true women of today. If they see something they want, they take it, and these girls see—and take—a lot of cock. These enlightened sweethearts have names like Andy Brown, Blanche, Graziella Diamond, and Shalina Devine. But don't get hung up on names, because they don't care about yours, either. What they want is a good fucking—*really good*—and if you can give it to them, they are yours, at least until you blow your load.**

**Enjoy the double-dickings in *2 Dicks in 1 Girl*, because the girls sure did. The guys, too, but we're guys. We're usually just happy to get our cocks wet. Not that there's anything wrong with that.**

## ANDY BROWN

**Stiffs: Frank Gun & Anthony Hardwood**

Whatever Andy might lack in traditional hotness she more than makes up for with her always-accessible holes and her theory is the more the better, especially when it comes to getting banged. She also happens to have an absolutely outstanding body that can pop boners along the street as she passes. Really, it happens all the time. It's pretty cool.

We don't know what street Frank and Anthony found her on, but they sure found her avenues inviting and this isn't the first time she's opened up for this kind of business. Her flappy-lipped snapper has been opened more times than an Arab's luggage on an American Airlines flight and that gaping ass is no stranger to the penetrating ways of man-wood.

She has a musician's talent for stroking a prick while keeping a beat going with her asshole, singing into one the moans she's given by the other, a slut's aggression, and a whore's handling of the merchandise ends with three satisfied souls, with one of the guys pulling out of her butt just in time to glaze it with his inner goodness, while her face takes the brunt of the other dude's offering which gives her a white, gooey glow.

Step Up To The Mike: Euro slutress Andy "sings" into one cock while another street merchant buries the beef in Brown's black hole.

# BLANCHE

**Stiffs: Greg Centauro & David Perry**

Blanche isn't some girl you're going to find in a dingy bar and take home at the end of the night—she's a fancy gal, with all the jewelry and clothing and attitude to go with it. That's cool, these guys know how to play a rich bitch when they find one, and they play her like a slot machine—or should we say slut machine. Either way, she sure pays off nicely. All cherries.

Even moneyed gash has needs that don't come out of an ATM, but A2M, as in ass-to-mouth, sure tastes good to this blonde heiress. The guys stick their cards into her slots and find their credit is good and soon her pussy and ass are crammed full with their pricks and she proves she can balance more than a checkbook by the way she rides with both holes maxed out.

At the end of the night Blanche has to get back to the right side of the tracks, but she doesn't want to leave without something to remember the boys by. She has all the jewels a girl could dream of, so they give her some jewelry that is more heartfelt—white loads that perfectly match her flaxen hair.

A2M rich bitch Blanche, no stranger to the double dong express, rides out another hole hollowing, compliments of juice heads Greg and David.

# GRAZIELLA DIAMOND

**Stiffs: David Perry & Zenza Raggi**

With some girls it doesn't take more than a look and you know you're in, but you don't always know exactly *what* you're in for. With Graziella, you're in for whatever the fuck you like, especially if you're looking at hooking up with that beauty of a backdoor.

Zenza and David lucked out when they hooked up with this one who not only loves anal sex, but being tag-teamed until her exit is flashing red and showing signs of gaping permanently is her preference and these guys know how to deliver. While playing with her bushy twat they give her ass preference and bang her into oblivion, the girl not giving a damn about pussy pleasure, that's for a different day.

Both guys run their fingers along her fluffy muff and touch her lips and even give them a taste, but they save every thrust for the rump and she howls her thankfulness, until they shut her up with a double blowjob that goes until both guys have blasted their goodbyes all over her pretty face.

Damn near donning a permanently gapping exit for life everlasting, Graziella dines on two schlongs until sated by double-barrel gob blasts.

# SHALINA DEVINE

**Stiffs: Bob Terminator & Nick Lang**

So you're at the pool and a smoking-hot chick starts taking off what little she's wearing, just daring you to use and abuse her hot body and why not right there in the sunshine? Why not, indeed!

This brunette is hotter than the sun beating down and these guys don't hesitate to break a sweat by smacking balls as they stuff her from both sides and she's no beginner at this kind of workout. She knows how to move her lithe body just right so each guy can shove his dick in a hole and jackhammer both as she enjoys the fill 'er up and takes each guy to the limit of his fuckability.

She could probably go for another round, but the guys have to pop at some point. She gets on her knees and takes a dick in each hand, working them to see who will cum first on her face. Finally she gets one, and then the other, and a dirty girl's smile crosses her face. Next?

**The Lovely Ms. Devine: Cocksmoker extraordinaire Shalina consumes dual stalks poolside to the amazement of muscle puppet Bobby "The Hook" Terminator.**

# EVA ANGELINA

## THE HIGH SOCIETY INTERVIEW

**PORN VALLEY, CA—THERE'S NO DOUBT THAT SEXY EVA ANGELINA IS ONE OF THE BEST AND MOST POPULAR PORN PERFORMERS OF THE LAST DECADE. NOW IN THE MIDST OF HER COMEBACK, WHICH BEGAN WITH THE MAKING OF ELEGANT ANGEL'S *EVA-LUTIONARY 2*, SHE'S PROVING THAT HER BRIEF SABBATICAL HAS ONLY HELPED TO MAKE HER PERFORMANCES EVEN MORE EXPLOSIVE. GANGBANGS, ANAL DP'S, ALONG WITH SOME OF THE FILTHIEST SEX SCENES EVA HAS EVER DONE, IS CERTAINLY PROOF POSITIVE THAT SHE IS AT THE PINNACLE OF HER CAREER. HER BODY REMAINS EVER SO TONED AND TIGHT, AND, YES, THE GLASSES ARE ALSO PART OF THE RAUNCHY REUNION. STARRING IN A STRING OF HIGH-END FEATURES AND EVEN HARDER GONZO TITLES SINCE HER TRIUMPHANT RETURN, WE ARE NOW SEEING A STRONGER, EDGIER, AND WILDER PERFORMER. IT LOOKS AS THOUGH TAKING SOME TIME OFF HAS ONLY MADE EVA HUNGRIER AND HORNIER FOR COCK AND PUSSY! MATTER OF FACT, SHE'S SO BUSY WORKING THAT SHE HASN'T HAD TIME TO MAKE THE MEDIA ROUNDS, BUT IN THIS EXCLUSIVE INTERVIEW WITH *HIGH SOCIETY*, EVA GOES DEEP, TALKING ABOUT HER LIFE, LOVES, AND JUST WHAT'S NEXT FOR THIS GENUINE PORN SUPERSTAR!**

**I don't know what it is about me coming back this year, but I have been shooting some fucking really great scenes; I've actually impressed myself.**

**HIGH SOCIETY:** *I definitely missed you while you were away, especially that body. I think you have one of the best bodies in porn.*

**EVA ANGELINA:** Thanks. You're giving me way too much credit. [Laughs]

**HS:** *Did you miss being Eva, the quintessential porn star while you were away from the business?*

**EA:** To be honest with you, I feel like Eva is who I am as a person, period. So I never stopped being Eva. The only thing that changed was having sex with the same person. [Laughs] But as far as like Eva being a porn star, I also missed getting all dolled up, going to set, shooting my scenes, and everything that goes along with it.

**HS:** *Would you say you were born to be in porn?*

**EA:** I definitely think that I was born to go through this stage in my life. I think everybody

HIGH SOCIETY 97

evolves as an individual and I think that I was able to gain so much, as far as confidence and allow myself to be myself: like crazy, goofy, uncensored.

**My birthday was in March and as a birthday present I had sex with seven people just on that day. I think that week I had sex with 10 people.**

**HS:** *I definitely think you were one of the best performers I've ever seen, certainly one of the greatest of the last decade.*
**EA:** Thank you. I'm just a very sexual, hyperactive person, but I'm glad the camera was able to pick that up. [Laughs]

**HS:** *During your break did you remain friendly with people in the business?*
**EA:** Yeah. A lot of my girlfriends, a lot of my favorite directors, I stayed in contact with; I definitely didn't cut them out.

**HS:** *Why did you decide to make a comeback?*
**EA:** People don't know this, but when I retired from shooting videos I still webcammed. For about nine months all I did was webcam. I never really felt I was completely separated from the industry. I still had my Twitter...I never felt like I was completely done. But I had my baby, that's why I left. I really enjoy being a mother, but at the same time it was time to get back to shooting and being who I am, and balancing the two.

**HS:** *What are your new goals now that you're back?*
**EA:** I would love to win AVN "Performer of the Year." I've never even been nominated for that award. I think that would be cool. It definitely is on my bucket list. I want to have sex with Nacho Vidal. Another goal is to basically remind anyone who's been a fan for so many years why they are my fans. Why do they love me, why do they select my movies over other performers? I have to tell you, I don't know what it is about me coming back this year, but I have been shooting some fucking really great scenes; I've actually impressed myself. Recently I was in a Wicked film directed by Stormy Daniels and I fucked for my life.

**HS:** *I think I can answer why your fans pick up your movies: you're full of energy.*
**EA:** I'm into it. To be honest with you to be blessed with the balls to get in front of the camera, be naked, and fuck like a champion, I could be worse off.

# THE FUCK FACTS

**Birthday:** March 14, 1985
**Hometown:** Huntington Beach, CA
**Height:** 5'3"
**Weight:** 120 lbs.
**Measurements:** 34D-26-34
**Movies:** *Eva-lutionary 1 & 2* (Elegant Angel), *E Is For Eva* (Evil Angel), *Deviance* (Skin Worxx/Adam & Eve), *Upload* (Sex-Z Pictures), *Lex The Impaler 5* (Jules Jordan)

**HS:** *Are there any new performers, girls or guys, you're anxious to work with?*
**EA:** Yes. For instance, I actually know this person on a personal level. Her name is Liz Taylor. I have not shot a scene with her, but we've had sex off-camera. I know if you put a camera in front of us sparks will fly. Also, she's not new, but I've always wanted to shoot with Belladonna. [Laughs] Personally, I like fresh meat. I like the "stranger factor" like, "I'm going to have sex with you and I barely know your name."

**HS:** *Since your comeback, have you had sex with any old friends that you haven't fucked in a long time?*
**EA:** Oh my god, so many! It's been a reunion because I'm working with talent I grew up with, literally. It's like, "I remember your cock now, holy shit! God, why did I leave again? Fuck! I had to get knocked up."

**HS:** *What didn't you miss about this business?*
**EA:** All the crazy drama. People like to talk shit in the industry. Everybody wants to talk shit, gossip, create lies. I've learned to stay out of [that] mix.

**HS:** *When you left porn you were at the top of your game. When you returned, initially were you rusty or did it all come back to you?*
**EA:** Oh my God, no way! It was like riding a bike. Honestly, in the time I was gone I got so hungry for crazy porno sex. At home, sex is a lot different than porno sex. If anything it was like unleashing the dragon.

**HS:** *How many scenes have you shot since returning to the business?*
**EA:** I couldn't even tell you. For instance, my birthday was in March and as a birthday present I had sex with seven people just on that day. I think that week I had sex with 10 people. I've shot at least 40 or 50 scenes.

**HS:** *That's a lot in a three-month span. In the beginning of your career how many scenes would you shoot in that span?*
**EA:** I started off kind of slow because I didn't have an agent. Then I took six months off that first year. I didn't start shooting a lot until 2005. I would shoot 28 of the 30 days during a month. I must have calluses in my pussy because I can do 20 scenes in a row. There was one time for Jill Kelly Productions when I shot five scenes for them in one day. Now it's different because there's not as many companies shooting and we're over-saturated with talent.

**HS:** *Are you very in demand at the moment.*
**EA:** I've started to turn down work because I don't want to get burnt out.

**HS:** *In the year and half you were out of porn, did you continue to have a lot of sex?*
**EA:** No, because I was living in complete isolation on an Army base in the middle of the desert, so it's not like I could find people that were down [with] having threesomes. When I moved back to L.A. I brought a couple of girls into my relationship, but at that point my marriage was rocky. They were more for me than for him.

**The companies that I would have never thought would stop shooting, stopped shooting. It's very depressing. The free tube sites, people not wanting to pay for their porn, people don't realize it, but it killed us.**

Unfortunately, my ex-husband decided to throw away my glasses when he moved his shit out. [Laughs] Right now I'm wearing my contacts.

**HS:** *Because you're working so much now is there time to have sex outside of work?*
**EA:** Yes. The more you have it the more you want. It's not even a motto for me, it's how I personally feel. The more I have sex the more I want it.

**HS:** *Are the people you're with in your private life, are they porn or non-porn people?*
**EA::** It's a variation. I spread the love.

**HS:** *Tell me about* Eva-Lutionary 2. *What can the fans expect when they see it?*
**EA:** I like [it] when my body is being pushed to the edge of death. It's amazing. You will see a lot of intensity; even my anal scene is one of the best anal scenes I've ever done. There's so much chemistry between me and the girls. Lily Carter was actually a huge fan of mine before porn and was very vocal about it when she shot for Elegant Angel in the past. We put her in the scene with me for this movie and had one of the best scenes. You will definitely enjoy that. Gracie Glam, Skin Diamond, so many good girls and guys. It's all pretty much jerk off material.

**HS:** *One of your best films ever was in Evil Angel's E Is For Eva.*
**EA:** I had my first gangbang in it. It was a great movie. I love Jonni Darkko, he's a personal friend of mine. I would love to do a sequel to that. I like shooting movies where

**I've always been pretty much a dyke. I can't decide which I love more, dick or pussy. I love pussy, but I feel like I always have to have a dick in my life.**

I'm in every scene, not just because I get to be dicked down in every scene, but [because] my fans love it and they don't have to switch to another movie or a different website to see another scene of mine. It's all in one place, in all variations, in different scenarios.

**HS:** *Before you began doing anal you did vag scenes and even before you retired you only did a handful of anal scenes. Will you be doing a lot more anal scenes?*
**EA:** I waited until 2007 to do my first anal scene. I waited until I was four years into the business. I did it for a year then I had my daughter, [then] came back in 2009. I did it for a year, got knocked up again, so here we are doing double anal and loving it. I will tell you right now; I don't know if giving birth or what has rearranged my organs a little bit, but it fucking hit my G-Spot like crazy these anal scenes.

**HS:** *Have you had any starring roles in any features or parodies?*
**EA:** I shot a Wicked movie called *Snatched*. Kaylani Lei is the lead in it. Basically, I was the crazy girlfriend and it was cool because my boyfriend was bad and I got to act like a crazy person. It was kind of like a therapy session. I wish I had more dialogue because I do enjoy scripted dialogue. The movie that put my name on the map was *Upload*, which was a feature that was shot in 22 days. I will always have love for features.

**HS:** *Would you say* Upload *was your biggest career accomplishment?*
**EA:** I'm going to say yeah, I just wish more people would be able to see that movie. That movie was my baby, will always be my baby. It changed my career, my life forever. Prior to *Upload* I thought my career was over, but I got this amazing opportunity from Eli Cross, considering I wasn't a contract girl or anything, and he literally loved making that movie. I'm just so glad the industry and my peers were able to appreciate me for that.

**HS:** *Are you still wearing the glasses in all your scenes?*

**EA:** I change it up. Unfortunately, my ex-husband decided to throw away my glasses when he moved his shit out. [Laughs] Right now I'm wearing my contacts. I do six months with my glasses and then they get heavy. Then I push the contacts in to give myself a break.

**HS:** *The business has changed a lot since you were out. What do you see as the biggest change in the business since you've been away?*
**EA:** The companies that I would have never thought would stop shooting, stopped shooting. It's very depressing. The free tube sites, people not wanting to pay for their porn, people don't realize it, but it killed us. I will be seriously surprised if the industry recovers from all the free shit.

**HS:** *Did you miss the fans and did you still hear from the fans while you were away?*
**EA:** I still had my Twitter, so I was still very active, talking to them. I missed going to the conventions as often as I used to.

**HS:** *Where would you rate yourself, looks-wise, on a scale of 1 to 10?*
**EA:** I think I'm an 8. Now that I'm older, I definitely think I look better with age and I feel pretty confident about my appearance.

**HS:** *Were you the first or last of your friends to lose her virginity?*
**EA:** I was the first. Go figure.

**HS:** *Before porn did you have a wild sex life?*
**EA:** I had gangbangs before porn; I did anal.

**HS:** *You like girls as much guys, right?*
**EA:** Oh yeah! I've always been pretty much a dyke. I can't decide which I love more, dick or pussy. I love pussy, but I feel like I always have to have a dick in my life.

**HS:** *Do you masturbate often?*

**You have to really want to fucking nut. I think that's the biggest problem [today] with girls in this industry—either they're gay for pay or they don't want the fucking dick, they just want the check.**

**EA:** Every day, at least once. I don't actually think about anything specifically.

**HS:** *Describe one of the hottest scenes you've ever been involved in. Who did you perform with and what movie was it in?*
**EA:** It was in *Upload*. It was a boy-girl-girl with Evan Stone and Sandra Romain. I remember shooting soft-core first and thinking to myself, "How the fuck am I going to survive the hardcore."

**HS:** *What do you need in order to achieve a hot sex scene?*
**EA:** You have to want it. You have to really want to fucking nut. I think that's the biggest problem [today] with girls in this industry—either they're gay for pay or they don't want the fucking dick, they just want the check.

**HS:** *Name a girl in the business you would most like to have sex with and why?*
**EA:** I really want to have sex with Belladonna. She's my cup of tea.

**HS:** *Name some of your favorites?*
**EA:** Teagan [Presley], Alexis Texas, Lily Carter. I love Alektra Blue; she's my all-time favorite.

**HS:** *What's your favorite sex act?*
**EA:** Double penetration.

**HS:** *What's one sex toy you can't live without?*
**EA:** A Hitachi.

**HS:** *What's the most amount of people you've had sex with at one time in your private life?*
**EA:** Six, all guys. I was at a party and I was down for it. I was 20 and they were available. I was such a weirdo. I was like queen of the one-night stands. If I knew your name it was a turn-off.

**HS:** *What's one superpower you wish you could have?*
**EA:** I wish I could fly.

**HS:** *Name a male and female celebrity with whom you'd most like to have sex with and why?*
**EA:** Daniel Craig, he's so sexy. As far as a female goes, I want to have sex with Scarlett Johansson.

**HS:** *Which movies of yours should our readers look out for in the future?*
**EA:** I've been shooting a lot of Internet, so I have scenes coming out on Brazzers, Naughty America, and Bang Bros. As far as movies, *Snatched* from Wicked.

**HS:** *Anything you'd like to say in closing to the* HIGH SOCIETY *readers?*
**EA:** Keep on watching me. Don't stop!

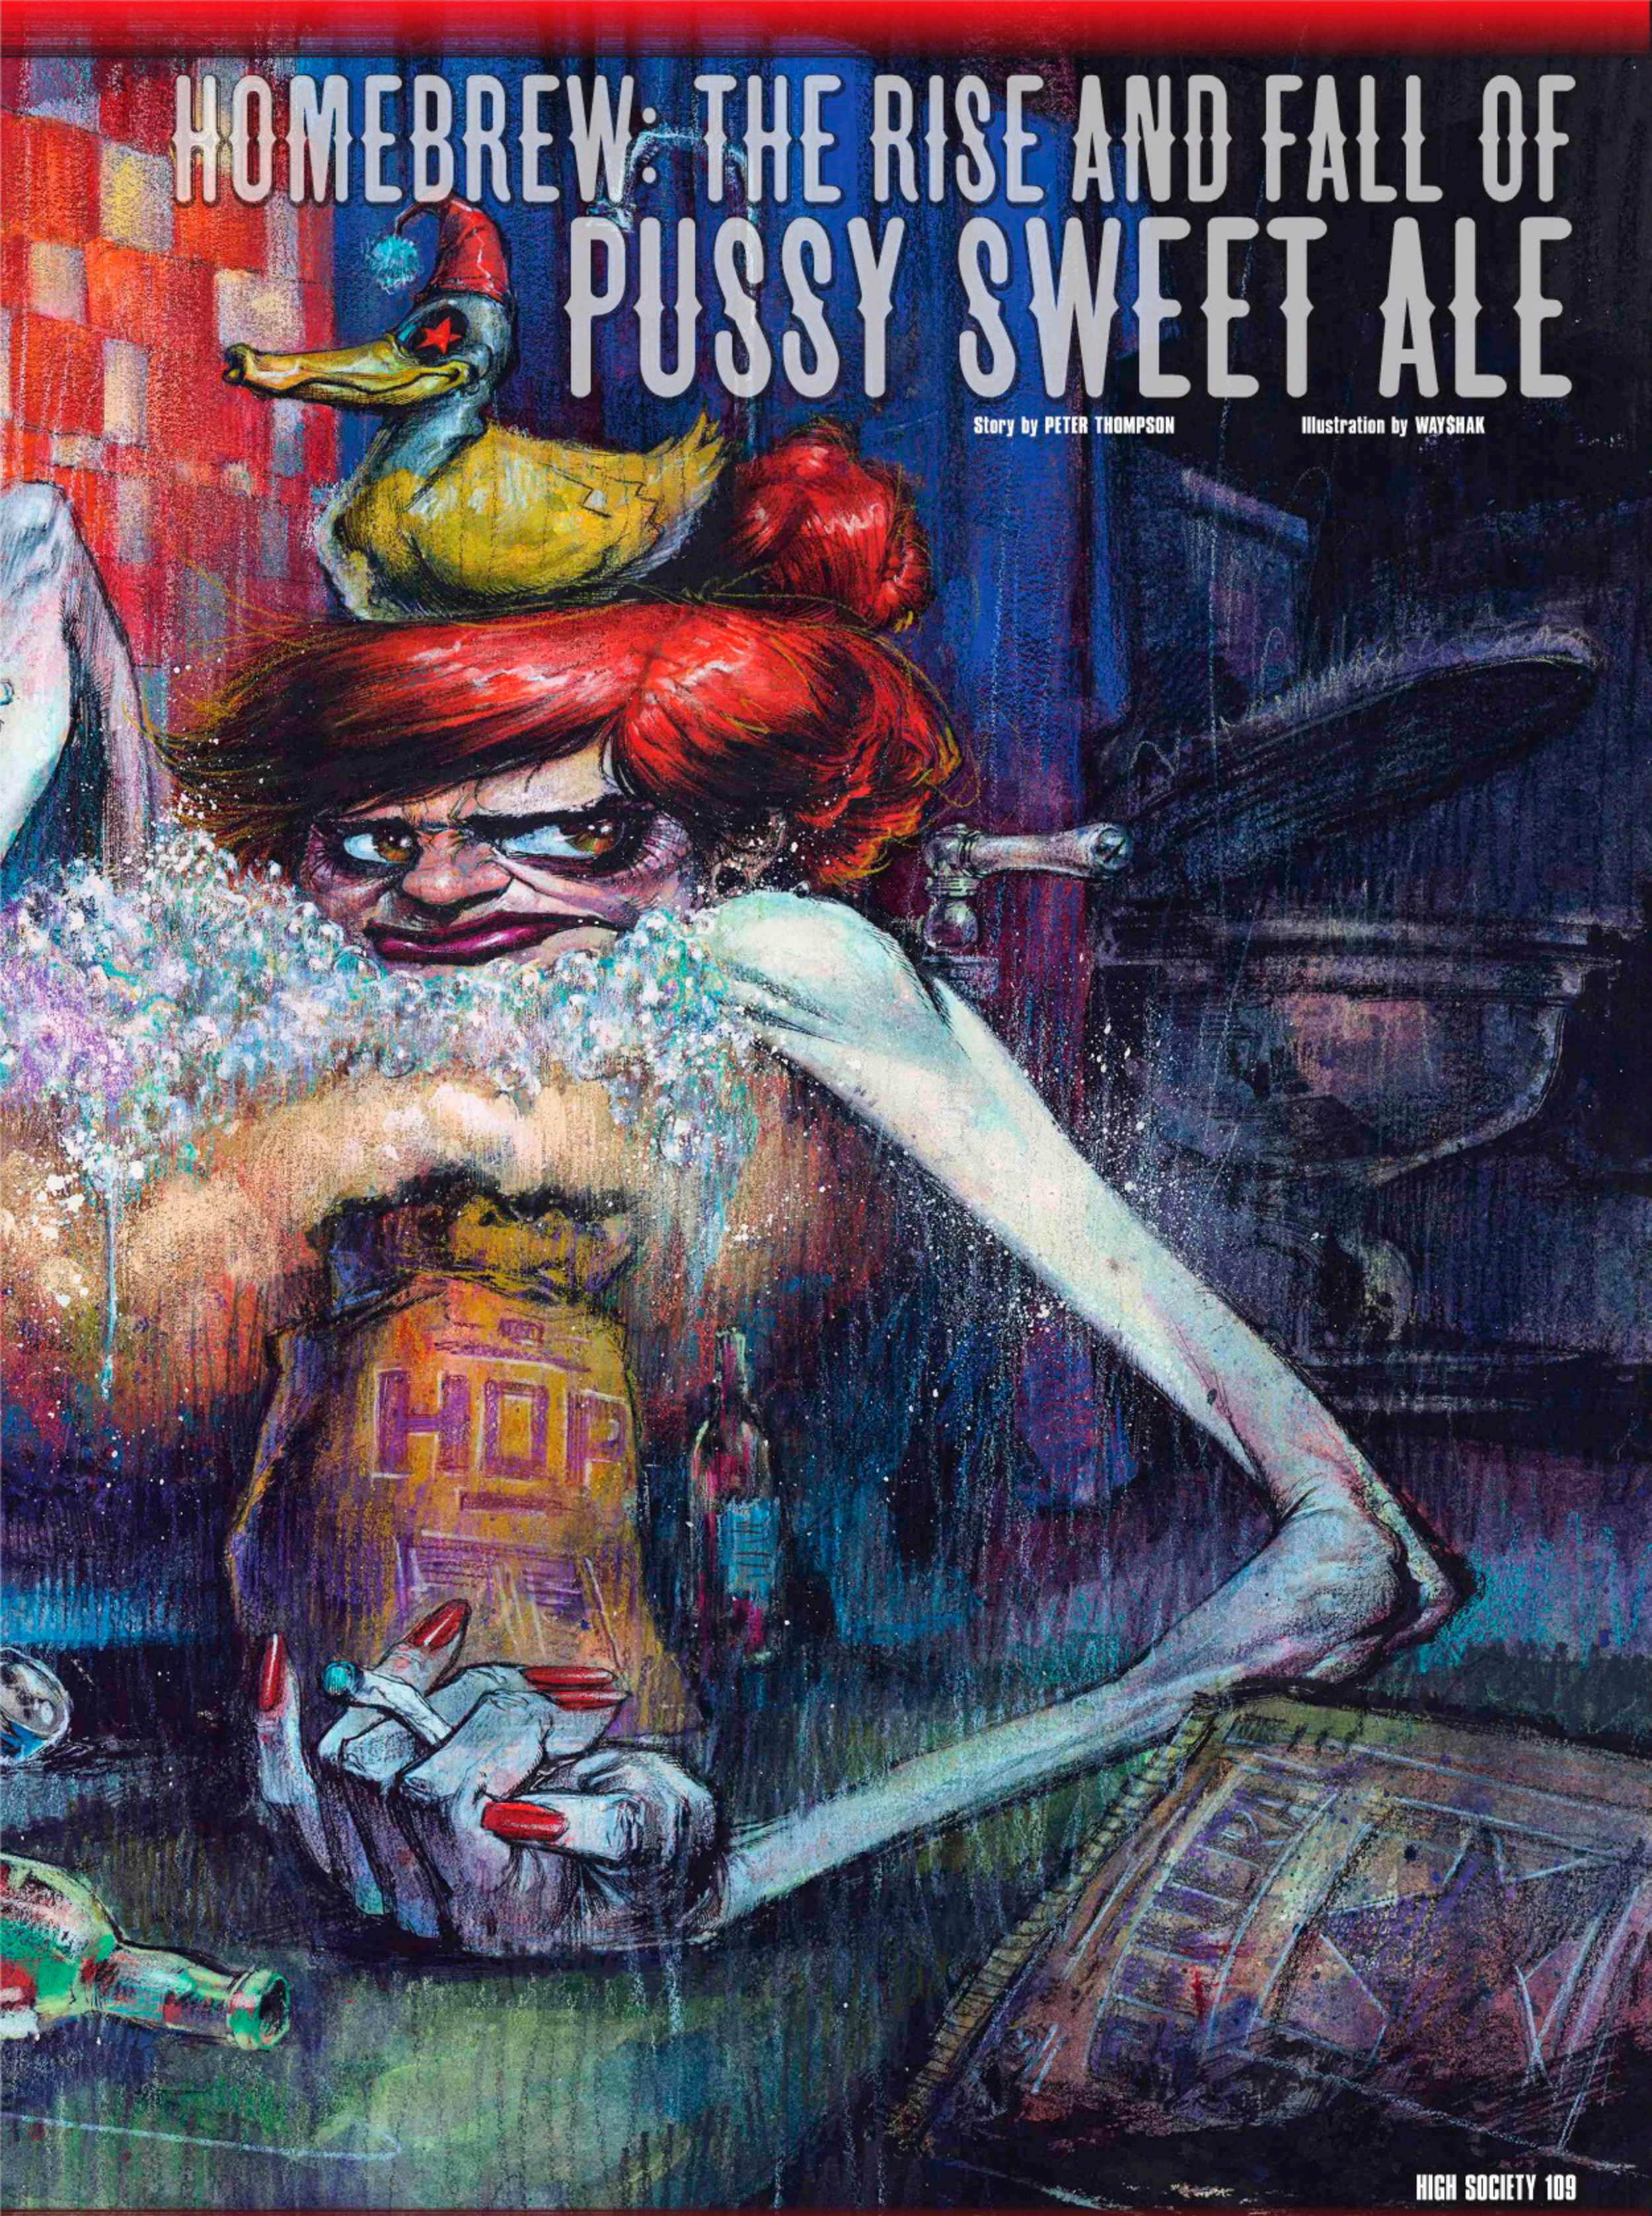
# HOMEBREW: THE RISE AND FALL OF PUSSY SWEET ALE

Story by PETER THOMPSON

Illustration by WAY$HAK



Precious few things in the world can bring the hordes in from the chaos and the cold to break bread (and wind) at the table of brotherhood quite like the promise of free beer.

But booze enthusiasts simply looking to get shitfaced will find easier routes to crippling intoxication than hanging out with even the most bottle-hardened homebrewing hobbyists. It turns out, manufacturing small-batch craft beer in the comfort of your own home entails not only a requisite expenditure of hundreds of dollars on brewing supplies, hours and hours of trial and error to successfully learn the craft well enough not to poison yourself, but also plenty of week-long waiting periods between test batches—quite an investment for an end product that, if you're lucky, will be marginally more palatable than a bird-shit smoothie. Simply put, homebrewing is something of a buzz kill. It's a diabolical obsession. Zythophiles suffer for their suds. Geeking out on day-long debates over glass carboys, wort chillers, racking tubes, and long nights spent in deep analysis of hops, malts, bitters, and yeasts is enough to make anybody need a drink.

The art of homebrewing is a remarkably efficient sieve that separates ordinary alkies (i.e. tanked-up stumblebums who'd down a gallon of unleaded if they thought it'd get them sloshed) from their much more eccentric and enigmatic cousins. Basement brewing attracts a special breed of elite boozer, the way the Olympics attract a special breed of athlete. These saucy sots live to drink and drink to live and often have extensive knowledge not only of esoteric brewing principles, but are, more often than not, astonishing treasure troves of modern fetish info like alternative history and conspiracy theories.

"If warm beer tastes like piss, does cold piss taste like beer?" asked homebrewer/philosopher Car-Part, a man whose facial evolution seemed to be stuck in some kind of a larval stage.

The local homebrew club was a non-profit "artisan's guild" that consisted of about two-dozen active members with a total of about 100 DUIs among them. For the annual membership fee of $35, I was given a welcome aboard packet and the address of that month's meeting.

Every monthly meeting was a tasting party where members brought in samples of their latest brews in order to get feedback from their brothers in zonk. The tasting party was at a bar on Virginia Street that had been remodeled and renamed half a dozen times in the past five years. Presently, it had no name and no liquor license, which meant no customers. But the leader of the group, Gary-Dave, an older guy with a bald man's Mohawk and dyed beard, a Harley, and a Bluetooth headset growing out of one ear, had the key to the place. Gary-Dave used to run with a motorcycle gang until he got kicked out for his excessive drinking. He had passed out drunk while on a run and taken out two of his biker brothers. His specialty was making light, summery blonde beers, like his own Reichstag Hefeweissen, and his passion was alternative World War II history. He was convinced that Hitler had escaped from Berlin in 1945 and was actually killed by the CIA in Argentina while running the country through his puppet, President Juan Peron. His beer was just as fruity.

THE LOCAL HOMEBREW CLUB WAS A NONPROFIT "ARTISANS GUILD" THAT CONSISTED OF ABOUT TWO DOZEN ACTIVE MEMBERS WITH A TOTAL OF ABOUT 100 DUIS AMONG THEM.

The club required everyone to submit a dozen 12-ounce bottles of their brew without any identifying marks or labels, which was fine, because I didn't have any. All I had was a name: Pussy Sweet Ale. I had come up more than 40 ounces short of the required amount of stew to enter the challenge, so that morning I added three bottles of Newcastle Brown Ale and an old can of Guinness to the mix, if for no other reason than to try to darken the mixture and hide the thick layer of yeasty sediment that had formed in the bottom of the bottles.

Pussy Sweet was competing against the likes of Double Chocolate Chip Muffin Stout (tasted like cabbage), a Lemon Lambic, Washoe Wheat, Bayonet, Car-Part's Magnum P.I. IPA, and a handful of other abominations, including Coral Castle Cream Ale, which inspired an hour-long discussion of how the aliens came down and helped the ancient Egyptians build the pyramids.

Car-Part's Magnum P.I. IPA was supposed to have hints of fruit, but from what I tasted I imagined it to be no more than a handful of Jolly Ranchers dissolved in a pint of Corona.

Pussy Sweet was a hit with the guys.

But that was before anyone knew exactly what it was they were drinking.

I had used "homespun" yeast to get the brew started and mixed it with commercial liquid yeast to build it into a commercial-style finished beer.

Like all yeasts, mine made ethanol by eating sugars.

The art of beer-tasting is a study in

**I HAD COME UP MORE THAN 40 OUNCES SHORT OF THE REQUIRED AMOUNT OF STEW TO ENTER THE CHALLENGE, SO THAT MORNING I ADDED THREE BOTTLES OF NEWCASTLE BROWN ALE AND AN OLD CAN OF GUINNESS TO THE MIX...**

ridiculous pretension. An expert taster is looking for a nice fizz when the cap is pulled. They take a long inhale of the brew looking for a beery smell, then pause, exhale, and repeat. They constantly make notations in their little notebooks.

I laugh as subtlely as possible watching the guys take their snobbish whiffs of Pussy Sweet. What started off looking like black hole ectoplasm was now a drinkable brew. Their elite, super-refined palates detected "notes of butterscotch" and "hints of summery whispers of sunshine," whatever that meant.

Gary-Dave held his glass of Pussy Sweet Ale up to the light to gauge the color. I had tried to darken it up with some post-brew camouflage, but held up to the bright fluorescent bulbs of the bar, it seemed to be a sickly yellow color on top and got darker and heavier toward the bottom. I was worried that the guys would notice all that nasty sediment and be turned off.

"That's a normal feature of your average craft beer," he explained. "You find it in a lot of your unfiltered microbrews that you buy in the store," he said. "That last swallow is mainly exhausted yeast. It's actually pretty common."

When Gary-Dave poured his bottle of Pussy Sweet into a chilled glass, a huge head began to form. Yeast sediment stirred at the bottom of the bottle. The guys added to their tasting notes on their notecards. If they truly had accurate taste buds, they'd know they were savoring my better half, Ana, a beer brewed in contaminated bottles with add-ins mixed in that very morning to bulk it up.

"Note the lingering flavor after you swallow," said Gary-Dave. "It's got a nice bitter bite, likely from the hops. Also a lingering malty sweetness under a cloudy, strange head..."

Car-Part might have had the best tastebuds of the group.

"I know it sounds weird," he said. "But I kinda got the urge to eat this stuff."

The guys chuckled.

"I kinda wanna put my whole face in this stuff and blow bubbles into it." He made sound effects, as though he were motorboating a wet pussy.

"The nose has hints of caramel and coffee," said Doctor Gamble, who wasn't a doctor. "Roasted grains and coffee dominate the flavor. It's smooth and has a full mouthfeel."

Gary-Dave swirled his glass with the last bit of ale. He seemed excited to gulp down the last mouthful.

I had experimented with several recipes and every batch came out tasting entirely different from the batch before it. And it came out in varying colors. The second batch definitely had hints of sushi. So, I mixed all the batches together to get a uniform color.

My friend, a graphic designer, sent me a prototype for the Pussy Sweet label. He must've been drunk when he drew it. It looked like a giant rat with an entry wound. It was supposed to be a stylized pussycat with a thermometer in its mouth and an old-fashioned ice bag on its head, hiding under the covers. It was supposed to be a sick pussycat.

I had thought of some other names for the end product: White Blight, Poison Poon, Toxic Avenger, Viral Load, Panty Waste, Love Bug, My Lady's Malady. I wasn't too sure about announcing so explicitly what the key building block of the booze was, but that was also the gimmick. I'd made Pussy Sweet an extreme beverage—something to be feared and dreaded as well as laughed at.

Yeast is not quite an animal and not quite a plant. It's closer to mildew. I could imagine the group of homebrewers once they found out what I'd served them.

Marketing-wise, I decided that every 12-pack of Pussy Sweet should come with the address of a local AA meeting and a free hepatitis shot.

Cold beer and hot pussy, *fucking* and getting *fucked up*. Is there anything in life that even comes remotely close to the refreshment of a brew and a screw?

Whether it's a tall boy of Nasty Ice or PBR right out of the can or a worn-out pussy right off the street, a $70 pint of one of Sam Adams' Utopia brews and a giant Kobe beef steak, nothing makes a man feel like a man at the end of a long day than a glass of hooch and a mouth full of hoo-haw.

In fact, beer and pussy are two of the few things in life that make getting up in the morning almost worthwhile. If you're lucky, getting fucked up leads to fucking. And sometimes the lack of fucking drives you to get fucked up. It's the circle of life. And many a man has dedicated his years in pursuit of the hoist and the moist.

Their synergy makes them much more than the

sum of their parts. In fact, much of American society, culture, and industry is based on nothing more complex than the pursuit and acquisition of as much hot pussy and cold beer as possible. They are, without a doubt, two of the most treasured commodities on the planet and each is a ready-made answer to nearly all of life's woes. You can travel to every lost corner on this Earth, every culture on the planet, and nowhere will you ever hear a man complaining about having too much drink or too much stink.

My girlfriend Ana and I were locked into one of those horrible death-spiral arguments where neither person will be ultimately happy until the other one is completely bitter and miserable. It's what couples do best. And it's just another one of the predicaments that can only drive a man to drink. Even if we were falling from a plane without a parachute facing certain death, I swear that girl would spend the last 80 seconds of our lives lecturing me on something I was doing wrong.  Truth be told, it's often my fault: I haven't held a steady job in seven months and I wake up every morning, as soon as she's gone off to work, and I hit the fridge and start drinking. I have to. I have to steel myself against the shitstorm that's sure to come as soon as she gets home. The intent is to be completely passed out by the time she pulls into the driveway at 5:17 pm so I don't have to deal with her. Even if you think you've won an argument, you'll ultimately lose.

I was not a rookie homebrewer, though I had found that the process was such a pain in the ass and because beer was so easily and cheaply available that I generally stuck to store-bought. But this was an idea too great. There was an opportunity here. When life hands you cottage cheese, make ale out of it—Pussy Sweet Ale.

I had made my first mead, or honey wine after reading *Beowulf* in school. I didn't read many of the details, but I noticed that the Vikings were always drinking a honey-derived beverage called mead. It seemed like it would be a tasty alternative to the high prices I was paying to get my older sister to score me big bottles of vodka. Plus, the science fair was coming up and I needed a project. I went downtown to the public library and actually found a book with recipes on how to make mead. It was a ridiculously easy process and required no special ingredients or crazy shit to buy. Sure, it would help to have the proper glass carboys and the right tubes to take the CO2 out, but I was guessing that the Vikings made it cheap and dirty too. I checked out the book and went off to the supermarket. The recipe was amazingly easy. I got a couple bear jars of honey, some Fleischman's bread yeast, and a couple two-liter bottles of Pepsi, which I would use to store my hooch. I boiled the honey with water and added some spices from the kitchen and then let it cool off. Then, I simply dumped the bread yeast into the mix and then poured that into the empty plastic Pepsi bottles. I doubted whether such a simple recipe could really solve my liquor dilemma, yet almost immediately, something was definitely happening. I'd come home from school and open the bottles to release the build-up of CO2. The longer they sat, the more CO2 I released. After a few days they smelled like alcohol. Still, I had no idea what would happen if I tried to drink them. I waited for New Year's Eve and invited some friends over and we all downed a glass at the same time. It was the most heinous thing I had ever drank, but I managed to keep it down. And strangely, I found myself going for a second glass, and then a third. Soon, I was loaded.

I was disqualified from the science fair because the faculty didn't want me encouraging anyone to repeat my experiment. Still, I got a C and a stern letter home that didn't make it any further than the kitchen trash can.

I shook Ana trying to wake her up. "Honey, daddy's got to go to market," I said. She muttered something and then rolled over. She was out, but I was very much *in* business.

After a couple of weeks I finally got up enough nerve to do a taste test. I had to. I poured a small glass and took

**I HAD THOUGHT OF SOME OTHER NAMES FOR THE END PRODUCT: WHITE BLIGHT, POISON POON, TOXIC AVENGER, VIRAL LOAD, PANTY WASTE, LOVE BUG, MY LADY'S MALADY.**

a whiff. It was ripe in the worst way. I think it actually smelled worse than my first batch. I closed my eyes and downed it. It didn't stay down for very long. I stuck the bottles back into the fridge and downed a six-pack to chase any remnants of my first batch and then I started to get serious.

I couldn't find any recipes for pussy beer even on the Internet, so I went to the library and took a few books into the bar next door. Fat Shane was pouring that day. He was an adamant homebrewer and I explained what I had attempted to do and he told me why it tasted so nasty.

"Brewer's yeast is different," he said. "Yeast is yeast and when it eats sugar it makes alcohol," he said. "So you did manage to brew a batch, but I can't imagine it would taste anything but horrible unless you followed one of these recipes and made a real, quality homebrew and then just added a small quantity of *your* product. That way, you won't be overwhelmed by the taste, but it will still be in there. You will still be drinking it, but it will be a lot more palatable if you combine it with a quality home beer."

That made sense.

Fat Shane came over that night and lent me some of his equipment. He explained the process of brewing beer to me. Yeast is usually cultured in laboratory medium, like agar. There are dozens of quality yeast cultivating kits and packets available at brewing supply stores and you don't have to be a professional microbiologist to get a nice drinkable beer, even your first time out. My problem, he said, was relying strictly on my "homespun" yeast.

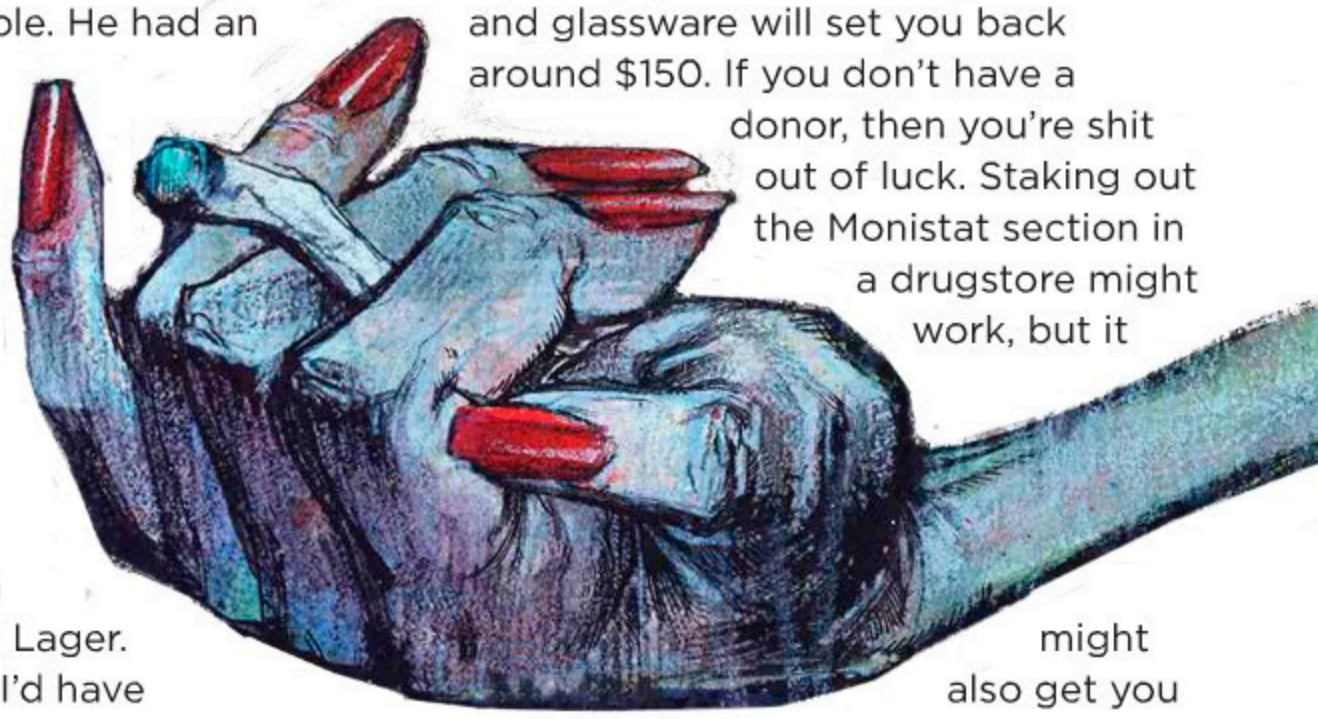
It was a brilliant idea, he agreed. The brewer's yeast would make a much better alcohol and my yeast would give the lager a nice personal one-of-a-kind bite. I was going to make a drinkable beer.

"One of the most important things about homebrewing," said Fat Shane, "is keeping your brew from becoming contaminated. That's especially hard when you're dealing with your key ingredient."

"It's a filthy one at that."

"Actually," he said. "they're usually remarkably clean."

I doubted he had ever seen one in real life. He was obese in ways that seemed impossible. He had an obese forearm. His knees were obese. He was a huge guy.



Shane had used what he called wort and added a well-known strain of brewer's yeast meant to make a lager. Loose Lips Lager.

If this worked, I'd have alcohol just in time for Ana's pussy to become fuckable again. Plus, I'd have a great idea for the brewing industry.

"It's like Vitamin Water for people looking to get sick," I said.

I could make lagers, lambics, meads, stouts, porters—all of them. Certainly, if you could get around the initial yuck factor, there was something marketable here. Who wouldn't want to drink their favorite porn star's private stock?

Evidently, a lot of people. I sent out my idea to every brewing company in America. The few responses I got back were appalled at the very idea.

Fat Shane said it would take about seven days to see if we had anything drinkable.

Vikings used to angrily shout at their ales to wake up the yeast and its boozy spirit within—the secret life force that makes all beer possible. Yeast borders between plant and fungus, it's everywhere in the natural world.

Making pure poon pruno was possible, but it was totally unpredictable. Different yeast produces different tastes of alcohol. Shane used only wet yeast to brew his homebrews.

If you want to produce a good quality homebrew and add a hint of minge, you really need to invest in the right equipment. Generally, the vials and glassware will set you back around $150. If you don't have a donor, then you're shit out of luck. Staking out the Monistat section in a drugstore might work, but it might also get you arrested.

Legally, brewing any kind of alcohol used to be illegal until President Carter repealed restrictions on homebrewing in February 1979 that had been in place since Prohibition. The law stipulates that adults over the age of 21 are allowed to brew up to 100 gallons of beer annually. It's cheaper than most store beers, averaging around $10 per five-gallon batch.

With the guys from the local homebrew network giving me the thumbs up, I thought about telling them the secret to my special brew. I even thought of revealing the true name of the stuff and letting them guess. But I didn't. I couldn't. Sure, I didn't want to get hurt. But maybe I was truly onto something here. Maybe my strange brew has a future after all. Maybe the next batch will come out clean.

# ANAL DANGER

A manhunt is under way for **Cayenne**, a sexy flaxen-haired escaped mental patient who spent two years in prison for extreme dildo abuse. The suspect is considered dangerously horny and is feared to be armed with several high-powered sex toys and at least two tubes of butt lube. Anyone coming into close contact with Cayenne can expect to have their balls milked like a Holstein. Cayenne was last seen rubbing her breasts and frigging off with the hot jizz of a state hospital worker all over her hands.
